

To whom it may concern,

My name is Colin Bowser. I am currently a student at Brigham Young University-Idaho, focusing my studies on software engineering and data science. I worked in sales support and as a team manager, so I have the communication skills for IT and the willingness to learn everything that I need to excel.

I would describe myself as someone who is loyal and eager to learn. I would like to put these characteristics to use within your organization. My experience as a software engineering student has provided me with the expertise to be able to make a valuable contribution to your company.

I would like to further explain my motivation for the position at your company during a personal meeting. You can reach me either by phone at (425) 633-7421 or by email at colinmbowser54@gmail.com.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,
Colin Bowser
